Remarks

TOP TO BOTTOM REMODEL!!! This home is stunning. The decorator thought of everything on this one. The floorplan has been opened up and the kitchen is wide open to both living areas. This is a spacious 4 bedroom 2 bath single-story home. Features include a large lot with covered patio, vaulted ceilings, fireplace, and functional layout. The kitchen offers ample counter space and cabinets with an oversized pantry. The home also features spacious bedrooms, tiled baths, storage shed, and an oversized two-car garage. Outside the backyard has an oversized covered patio, a nice large grass area for the kids to play in and brand new watering system, plants and trees.
